The information contained in this document is intended as a guide only for those applying to study as an international student and is not an exhaustive list of programmes offered by Massey University. For a full list of programmes please visit [www.massey.ac.nz](http://www.massey.ac.nz)

### Semester Start Dates

Semester One (1) - February: applications due by 1 Dec (year prior)

### Important Information

1. Tuition fees for degree level programmes are indicative only for a standard 120 credits of full time study (two semesters, or one academic year).
2. Tuition fees are generally calculated on a “per paper” basis and the actual fees will depend on the number of papers taken and the category from which the paper selection is made, eg, Business degrees will cost more overall if they include Science papers;

Science degrees will cost less overall if they include Business or Humanities and Social Sciences papers.

3. Students are advised to consult the University Calendar ([calendar.massey.ac.nz](http://calendar.massey.ac.nz)) and other publications for the annual availability of papers offered per semester at each campus.
