

Where might Massey's Sciences students and graduates work and what might they do?

INTRODUCTION

Many students and graduates start their career planning by exploring options for which their subject of study will either be useful or crucial. This can be a good place to begin and useful sources of information on options with your subject include:

- [No Major Drama](#)
- [The Engine 'Areas of Interest' section](#)
- The websites of any [professional bodies](#) operating in the career areas of interest to you.
- [Graduate Careers Australia's Career Information Booklets](#)
- [Prospects' Options with your subject](#) – this is the UK's most trusted graduate career website.

Coupled with the above, you will often find careers information on the webpages of your College, School, Institute or Department; on the career service webpages of a number of NZ universities and on social media sites such as [LinkedIn](#). In the latter, we recommend that you search for (and join) groups existing in career areas of interest to you and search for members that have qualified in the same subject(s) as you.

SKILLS MATTER

In addition to your qualifications, employers are keen to see evidence of the [skills](#) that you have – and in particular, skills that are relevant to the role for which you are applying. You will have been building a range of skills throughout your course and employers will look at these and at your wider life skills. Here we outline some of the skills most commonly sought by NZ employers. These have been drawn from a survey of graduate employers undertaken by Massey's School of Business:

Teamwork and co-operation	Interpersonal understanding
Ability and willingness to learn	Flexibility
Oral communication	Customer service orientation
Ethics	Independent learning
Written communication	Relationship building
Initiative	Concern for order, quality, and accuracy
Achievement orientation	Conceptual thinking
Computer literacy	Technical expertise
Problem solving	Information literacy
Organisational commitment	

Where might Massey's Sciences students
and graduates work and what might they do?

Coupled with the above, the table below shows opportunities that have been advertised on our Massey CareerHub jobs portal in the recent past, for which applications from students and/or graduates from your discipline were welcomed.

Should you require further information on options with your subject please contact us.

Organisation	Opportunity
A Aspin	Summer Holiday Position - Dairy
A J Park	Graduate Engineer - Electrical, Mechatronics or Computer Systems
A J Park	Graduate Engineer - Mechanical
A S Wilcox & Sons Ltd	Machinery Operator - Matamata & Pukekohe
A Verkerk Ltd.	Management Trainee - Marketing Focus
AA Insurance Ltd.	Contact Centre Representative
Abiliquip Limited	Mobility design vacation work
Abron Living Soil Solutions	Farm Performance Consultant
ACC	Actuarial Analyst I
Accenture	Accenture Graduate Program
Advance Ashburton Community Foundation	Advance Ashburton Scholarships
AECOM New Zealand Limited	Graduate Quantity Surveyor
AECOM New Zealand Limited	Summer Students - Buildings
AEQ FURNITURE	Salespersons
AEQ FURNITURE	Store Manager
Affiliated Business Consultants	Business Broker
AGATHA Paris	AGATHA Paris Full Time Retail Star
Agility CIS Ltd.	Analyst Programmer
AgResearch Limited	Summer Studentship - Novel Stain-resist Treatments for Carpets
AgResearch Limited	Summer Studentship - Safe and Sustainable Wool Interiors
AgResearch Limited	Summer Studentship - Keratin Protein Isolation and Purification
AgResearch Limited	Summer Studentship - Statistics
AgResearch Limited	Summer Student - Objective pasture measurement
AgResearch Limited	Summer Intern - Genomic Tools for Breed Assignment in Sheep and Deer
AgResearch Limited	Summer Intern - Strategies for Prioritising Genomic Results from Gene Discovery
AgResearch Limited	Summer Intern - Determining Variability in Mating Success Among Rams in Group Mating Systems
AgResearch Limited	Summer Intern - Identifying Productive Maternal Beef Cattle in NZ
AgResearch Limited	Summer Intern - Determining the spatial and temporal variability of Escherichia coli
AgResearch Limited	Summer Studentship in Statistics
AgResearch Limited - Haines Account	Laboratory Technician - Genetic Marker Production
AgResearch Limited - Haines Account	Post-Doctoral Scientist - Plant Quantitative Genetics & Modelling
AgResearch Limited - Haines Account	Seed Production Technician
AgResearch Limited - Haines Account	Post-Doctoral Scientist - Plant Quantitative Genetics & Modelling
AgResearch Limited - Haines Account	Research Scientist/Senior Scientist – Livestock Response/Fungal Endophyte
AgResearch Limited - Haines Account	AgResearch Maori Summer Studentships
AgResearch Limited - Haines Account	Endophytes for Grasses Summer Studentship
AgResearch Limited - Haines Account	Fungal Endophyte Diversity and Grass Breeding Summer Studentship
AgResearch Limited - Haines Account	Germplasm Development - Summer Studentship
AgResearch Limited - Haines Account	Endophyte Compatibility Summer Studentship
AgResearch Limited - Haines Account	Endophyte Secondary Metabolism Summer Studentship
AgResearch Limited - Haines Account	Endophytes for Cereals Summer Studentship
