# Programmes, Fees and Campuses

The information contained in this document is intended as a guide only for those applying to study as an international student and is not an exhaustive list of programmes offered by Massey University. For a full list of programmes please visit [www.massey.ac.nz](http://www.massey.ac.nz)

## Application Dates

Semester One (1) - February: applications due by 8 December (year prior)

Semester Two (2) - July: applications due by 1 May

## Important Information

1. Tuition fees for degree level programmes are indicative only for a standard 120 credits of full time study (two semesters, or one academic year).
2. Tuition fees are generally calculated on a per paper (module/course/unit) basis and the actual fees will depend on the number of papers taken and the category from which the paper selection is made, e.g., Business degrees will cost more overall if they include Science papers; Science degrees will cost less overall if they include Business or Humanities and Social Sciences papers.
3. International students planning to study at Massey University in New Zealand need to consider and budget for Tuition fees, Non-Tuition fees which are compulsory fees payable by all students enrolled at Massey University, Practical course fees if applicable, Course Component fees if applicable, Medical and Travel insurance, Textbooks and Supplies, and Living Expenses. Details can be found [http://www.massey.ac.nz/massey/international/financial-information/cost-of-study/en/cost-of-study\\_home.cfm](http://www.massey.ac.nz/massey/international/financial-information/cost-of-study/en/cost-of-study_home.cfm)
4. Students are advised to consult the University Calendar (<http://calendar.massey.ac.nz>) and other publications for the annual availability of papers offered per semester at each campus.
5. All Music programmes are taught by the New Zealand School of Music (NZSM) which is a joint venture between Massey University and Victoria University. For more information, please visit [www.nzsm.ac.nz](http://www.nzsm.ac.nz).

## MASTERATE PROGRAMMES

Master's degrees at Massey University are typically research-only, however some have the flexibility to combine research and taught courses. Progression to the master's from a bachelor's degree, involves two-years of full-time study, typically comprising taught courses in year one, and research in year two. Generally, the postgraduate diploma is year one of a master's qualification, with progression into the second year of the master's based upon academic performance.
