- Students complete an intensive programme of online coursework over the four week programme
- Weekdays: The students will commute to their host organizations for their internships, which run Monday through Friday approximately from 9:00am to 5:00pm. Each week the students, academic coordinator and programme staff will meet for a review of the internships.
- Weekends: 5:00pm on Friday through 9:00pm on Sunday is free for study or personal travel. Students leaving Wellington are required to notify their Programme Coordinator at least 24 hours in advance and provide the details of their itinerary in writing.
