Māori Theses Doctoral Studies List

E ngā mana, e ngā reo, e ngā karangatanga maha, tēnā koutou.

This is a list of Doctoral theses with predominantly Māori content held at Massey University Library. These are listed by their subject category. Some theses will appear in more than one subject area. If a thesis has been written by a student at another university this is noted in its entry in the list. Call numbers and holdings details have been provided for each thesis that has a borrowing copy available. If a thesis is available as part of our Massey University online repository, a URL is provided to enable access to the digital version.

This list will continue to be updated. Please ask at the Information Desk should you require any further assistance in locating theses.
