Māori Theses Masters & Honours List

E ngā mana, e ngā reo, e ngā karangatanga maha, tēnā koutou.

This is a list of Masters and Honours theses with predominantly Māori content held at Massey University Library. These are listed by their subject category. Some theses will appear in more than one subject area. If a thesis has been written by a student at another university this is noted in its entry in the list. Call numbers and holdings details have been provided for each thesis. Some theses are available online and a link to these is provided where applicable.

Please note that separate lists of **Doctoral theses and theses written in Te Reo Māori** are also available

This list will continue to be updated. Please ask at the Information Desk should you require any further assistance in locating theses.
