**Purpose:**

To provide a list of minimum resources that will be available to all postgraduate students.

**Policy:**

All Colleges will provide a minimum set of resources for postgraduate students as set out in the following Resource Minima Lists. These lists represent the minimum resources to be provided however Colleges, Departments, Institutes and Schools may provide additional resources if available and appropriate.

**Resource Minima list for Postgraduate Students:**

The following list presents the resources available on campus for the research-related activities of all postgraduate students. Access to the resources is likely to be shared.

- Study space
- Toll-barred phone
- Research funds: provided that the project meets the College and/or departmental guidelines and funding priorities, you may be eligible to apply for contestable funds
- A computer with word processing facilities
- A printer (student may be responsible for the provision of paper)
- Email and Internet (student may be responsible for user charges)
- Photocopier and fax (student may be responsible for service charges)
