

This table shows the research areas offered for the PhD by Massey in 2015. The research areas are grouped by discipline set sorted alphabetically. Find the PhD area and 'paper' references (middle column) you are interested in, and then use the hyperlink to find a contact name who can give you initial guidance with a PhD application in the first instance. You should also visit the individual departmental Web pages and the expertise and staff publications databases on the Massey Web site to find out more about Massey's research capabilities.

Parent discipline set	PhD research area and 'paper' reference	Corresponding primary academic department(s)
Arts Humanities and Social Sciences	130.900 PhD Emergency Management	School of Psychology
Arts Humanities and Social Sciences	131.900 PhD Development Studies	School of People, Environment & Planning
Arts Humanities and Social Sciences	132.900 PhD Resource and Environmental Planning	School of People, Environment & Planning
Arts Humanities and Social Sciences	134.900 PhD Philosophy	School of Humanities
Arts Humanities and Social Sciences	135.900 PhD Religious Studies	School of Humanities
Arts Humanities and Social Sciences	137.900 PhD Banking	School of Economics & Finance
Arts Humanities and Social Sciences	139.900 PhD English	School of English & Media Studies
Arts Humanities and Social Sciences	145.900 PhD Geography [Human]	School of People, Environment & Planning
Arts Humanities and Social Sciences	146.900 PhD Social Anthropology	School of People, Environment & Planning
Arts Humanities and Social Sciences	148.900 PhD History	School of Humanities
Arts Humanities and Social Sciences	149.900 PhD Defence and Strategic Studies	Centre for Defence & Security Studies
Arts Humanities and Social Sciences	150.900 PhD Maori Studies	School of Maori Art, Knowledge and Education
Arts Humanities and Social Sciences	154.900 PhD Media Studies	School of English & Media Studies
Arts Humanities and Social Sciences	167.900 PhD Museum Studies	School of People, Environment & Planning
Arts Humanities and Social Sciences	170.900 PhD Women's Studies	School of People, Environment & Planning
Arts Humanities and Social Sciences	172.900 PhD Linguistics	School of Humanities
Arts Humanities and Social Sciences	175.900 PhD Psychology	School of Psychology
Arts Humanities and Social Sciences	176.900 PhD Sociology	School of People, Environment & Planning

Arts Humanities and Social Sciences	200.900 PhD Politics	People, Environment & Planning
Arts Humanities and Social Sciences	213.900 PhD Fine Arts	School of Maori Art, Knowledge and Education
Arts Humanities and Social Sciences	267.900 PhD Education	Institute of Education
Arts Humanities and Social Sciences	272.900 PhD Second Language Teaching	School of Humanities
Arts Humanities and Social Sciences	279.900 PhD Social Policy	School of Health & Social Services
Business	110.900 PhD Accounting	School of Accountancy
Business	152.900 PhD Management	School of Management
Business	156.900 PhD Marketing	School of Communication Journalism & Marketing
Business	157.900 PhD Information Systems	School of Management
Business	178.900 PhD Economics	School of Economics & Finance
Business	190.900 PhD Aviation	School of Aviation Management
Business	219.900 PhD Communication and Journalism	Communication Journalism & Marketing
Business	234.900 PhD Sport & Exercise Science	School of Sport & Exercise
Creative Arts	197.900 PhD Design	School of Design
Creative Arts	213.900 PhD Fine Arts	School of Art
Creative Arts	237.900 PhD Visual & Material Culture	School of Music and Creative Media Production
Health	147.900 PhD Rehabilitation	School of Public Health
Health	168.900 PhD Nursing	School of Nursing
Health	177.900 PhD Midwifery	School of Nursing
Health	179.900 PhD Social Work	School of Health & Social Services
Health	214.900 PhD Health Sciences	Institute of Food, Nutrition & Human Health
Health	231.900 PhD Public Health	Centre for Public Health Research
Science & Technology	111.900 PhD Agricultural and Horticultural Systems Management	Institute of Agriculture & Environment

Science & Technology	112.900 PhD Agribusiness	Institute of Agriculture & Environment
Science & Technology	114.900 PhD Human Resource Management	School of Management
Science & Technology	117.900 PhD Animal Science	Institute of Veterinary, Animal & Biomedical Science
Science & Technology	118.900 PhD Veterinary Science	Institute of Veterinary, Animal & Biomedical Science
Science & Technology	119.900 PhD Agriculture and Horticulture	Institute of Agriculture & Environment
Science & Technology	120.900 PhD Plant Biology	Institute of Fundamental Sciences
Science & Technology	122.900 PhD Biochemistry	Institute of Fundamental Sciences OR Institute of Natural and Mathematical Sciences
Science & Technology	123.900 PhD Chemistry	Institute of Fundamental Sciences OR Institute of Natural and Mathematical Sciences
Science & Technology	124.900 PhD Physics	Institute of Fundamental Sciences OR Institute of Natural and Mathematical Sciences
Science & Technology	125.900 PhD Finance	School of Economics & Finance
Science & Technology	128.900 PhD Ergonomics	School of Occupational Health & Safety
Science & Technology	138.900 PhD Agricultural/Horticultural Engineering	Institute of Agriculture & Environment
Science & Technology	141.900 PhD Food Technology	Institute of Food, Nutrition and Human Health

Science & Technology	151.901 PhD Nutritional Science	Institute of Food, Nutrition and Human Health
Science & Technology	158.900 PhD Information Technology	School of Engineering and Advanced Technology
Science & Technology	159.900 PhD Computer Science	Institute of Natural and Mathematical Sciences OR School of Engineering and Advanced Technology
Science & Technology	160.900 PhD Mathematics	School of Engineering and Advanced Technology OR Institute of Natural and Mathematical Sciences
Science & Technology	161.900 PhD Statistics	Institute of Veterinary, Animal & Biomedical Science OR Institute of Fundamental Sciences
Science & Technology	162.900 PhD Microbiology & Genetics	Institute of Natural and Mathematical Sciences
Science & Technology	171.900 PhD Plant Science	Institute of Agriculture and Environment
Science & Technology	188.900 PhD Natural Resource Management	Institute of Agriculture & Environment
Science & Technology	189.900 PhD Soil Science	Institute of Agriculture & Environment
Science & Technology	194.900 PhD Anatomy/Physiology	Institute of Veterinary, Animal & Biomedical Science
Science & Technology	196.900 PhD Ecology	Institute of Agriculture & Environment
Science & Technology	199.900 PhD Zoology	Institute of Agriculture & Environment OR Institute of Veterinary, Animal & Biomedical Science
Science & Technology	202.900 PhD Medical Laboratory Science	Institute of Food, Nutrition and Human Health
Science & Technology	203.900 PhD Genetics	Institute of Fundamental Sciences OR Institute of Natural and Mathematical Sciences
Science & Technology	204.900 PhD Decision Science	School of Engineering and Advanced Technology
Science & Technology	218.900 PhD Construction	School of Engineering and Advanced Technology
Science & Technology	228.900 PhD Engineering	School of Engineering and Advanced Technology
Science & Technology	232.900 PhD Conservation Biology	Institute of Agriculture & Environment
Science & Technology	233.900 PhD Earth Science	Institute of Agriculture & Environment
Science & Technology	236.900 PhD Nanoscience	School of Engineering and Advanced Technology
Science & Technology	240.900 PhD Logistics and Supply Chain Management	School of Engineering and Advanced Technology
