I have referred to the notes on DRC 6/3 and in the context of my accompanying report, I recommend the following (please tick one box):

☐  Pass  
The thesis meets the required standard for the award of the Doctoral degree. Typographical and grammatical changes are permitted, as long as these are of a minor nature and can be completed within a two week timeframe.

☐  Fail  
That the re-submitted thesis does not meet the required standard for the award of the Doctoral degree.
