

# Animal & Plant Health NZ Veterinary Science Scholarship

## Scholarship Regulations

### **Focus**

Veterinary science

### **Level of Study**

Undergraduate, third year

### **Purpose**

The Animal & Plant Health NZ Veterinary Science Scholarship supports third-year Bachelor of Veterinary Science students.

### **Background**

Animal & Plant Health NZ (formally Agcarm) is the peak industry association of companies which manufacture, distribute and sell products that keep animals healthy and crops thriving.

### **Value and Tenure**

The value of a scholarship is \$2,500.

The scholarship is tenable for one year.

### **Typical Number on Offer**

Typically, one scholarship will be awarded per year.

### **Eligibility**

Applicants must:

- be a New Zealand citizen or permanent resident.
- be studying full time in the third year for a Bachelor of Veterinary Science at Massey University.
- a minimum B grade average.

## **Selection Criteria**

The selection will be based on:

- academic merit
- personal statement
- CV
- references
- a brief (300-500 word) supporting statement which demonstrated the applicant's personal views on the value of veterinary pharmaceuticals to the health of animals

## **Selection Committee**

The scholarship is awarded by the University Scholarships Committee on the recommendation of Animal & Plant Health NZ.

The selection panel has the right to refrain from making an award if there are no suitable applicants.
