Purpose:

The purpose of this policy is to establish guidelines for:

1. Investments in sponsorships by Te Kunenga Ki Pūrehuroa Massey University.
2. Procurement of sponsorships to Te Kunenga Ki Pūrehuroa Massey University.

Policy:

Massey University has determined that when entering into a sponsorship agreement with a third party, that its staff will take all practical care to ensure that it enhances the university’s reputation and engagement with future students, while delivering on the university’s Strategy and Mission - the advancement of knowledge and the dissemination and maintenance of teaching and research.

The university’s objectives when investing or procuring sponsorships are:

1. Increasing the university’s profile and reputation.
2. Increasing lead generation of future students with domestic and international audiences.
3. Showcasing the university’s commitment to being a Tiriti-led university.
4. Showcasing our leadership on matters of interest.
5. Showcasing the university’s research.
6. Showcasing our leadership in online and blended pedagogy and delivery.
7. Increasing the profile of the leaders within the university.
8. Providing opportunities to connect with industry across the university's diverse portfolio.
9. Some other benefit that has been agreed with the DVC SaGE or VC.

Where possible, all sponsorships are to be industry exclusive. The university will not engage with sponsorships or partnerships where:

1. They are overtly religious.
2. They are sexually exploitative.
3. They promote gambling, drinking or drug consumption.
4. They are not politically neutral in nature.

Prior to agreement of any sponsorship, departments should ensure they have the correct funds to leverage the sponsorship and the resource to do it. Without resource and leverage funds, it is highly likely that sponsorships will fail to meet business objectives.
The following levels of approval are required to engage with a sponsorship.

<table>
<thead>
<tr>
<th>Sponsorship Investment</th>
<th>Delegated Authority</th>
</tr>
</thead>
<tbody>
<tr>
<td>Up to $50,000 (and under two)</td>
<td>DVC, SaGE</td>
</tr>
<tr>
<td>$50,000 and over (or over two years)</td>
<td>Vice-Chancellor</td>
</tr>
</tbody>
</table>

This delegation does not replace the Budget Manager’s Delegated Authority but is to be used in conjunction with.

Where sponsorship investments are $5,000 or more, the sponsorship will require approval from the Deputy Vice-Chancellor, Students and Global Engagement and the National Events and Sponsorship Team should be advised to ensure leverage and benefits are maximised and conflicts of interest are avoided.
