

New to Massey University First Year Animal Science Scholarship

Scholarship Regulations

Focus

Animal Science

Level of Study

Undergraduate

Purpose

The New to Massey University First Year Animal Science Scholarship supports first year undergraduate students in the Bachelor of Animal Science.

Value and Tenure

The value of the scholarship is determined each year from the interest earned on the capital. It is typically \$5,000.

The scholarship is awarded annually, and the tenure is for one year.

Typical Number on Offer

Typically, up to four scholarships will be awarded each year.

Eligibility

Applicants must be:

- intending to enrol full time in the first year of the Bachelor of Animal Science
- a New Zealand citizen or permanent resident, or an international student who has completed their secondary schooling in New Zealand

Recipients must meet the admission criteria for the Bachelor of Animal Science.

Selection Criteria

Selection is based on academic merit in NCEA Level 2 (or equivalent) and a personal statement on career and industry ambitions.

Selection Panel

The scholarship is awarded by the University's Scholarships Selection Committee, based on the recommendation of the College of Science Applied Academic Programme Scholarships Committee.

Conditions of the Scholarship

Payment will be made in two equal instalments upon confirmation of full-time enrolment in semesters one and two and following the university's official withdrawal date of these semesters.

Payment of the second instalment is contingent upon awardees passing all enrolled courses in semester one.

The scholarship maybe held in conjunction with other scholarships, bursaries or awards, so long as those scholarships, bursaries or awards permit co-tenure.
