Conditions of the Scholarship

Applicants who have completed university courses to a maximum of 60 credits while at secondary school will be eligible for consideration.

Applicants who have taken one gap year following the completion of secondary schooling and prior to enrolling in an undergraduate degree are eligible to apply.

The value of the award is up to \$2,500 towards tuition fees in year 1 and up to \$2,500 in year 2 of the Bachelor of Communication within the College of Humanities and Social Sciences. Should the cost of the tuition fees be less than \$2,500 the scholarship value will be adjusted to reflect the lower amount.

The tuition fee payments will be made in two equal instalments of up to \$2,500 to the Massey University Student Fee account after the official financial withdrawal date of semester one for year 1 and year 2 of the scholarship award.

Where a student recipient withdraws from study, any payment offered through this scholarship will not be honoured or credited for future use.

If a recipient withdraws from the approved programme and are eligible for a refund of their fees, Massey University will retain the scholarship proportion of the fee paid to the recipient.

Each scholarship instalment is conditional upon successful completion (pass grade) of study in the year prior.

Continuation of scholarship payments are subject to the recipient remaining enrolled, full time, in an eligible programme.

The scholarship may be held in conjunction with other scholarships, bursaries, or awards, so long as those scholarships, bursaries, or awards permit co-tenure.
