Verifying your documents

Please attach verified copies of your proof of identity.

WHAT IS A VERIFIED COPY?

A verified copy is a copy of an original document that has been signed and dated (preferably with an official stamp) for authenticity by a person authorised in the Oaths and Declarations Act 1957 as able to take declarations. This person could be a:

- Justice of the Peace (JP), Public Notary, Court Registrar, Deputy Registrar, Public Trust Officer. View our list of Justices of the Peace at Massey University.
- Barrister or Solicitor of the High Court
- Local or Central Government employee designated for the purpose of taking oaths and declarations
- Kaumtua (for whakapapa statement only). An officially verified copy of a whakapapa statement is acceptable only when a student cannot obtain a birth certificate. Both the student and a Kaumtua must sign the whakapapa as evidence of identity and citizenship.
- Your School Principal. They must confirm they are the principal and the name of the school.

When a student is in a remote community and is unable to access a person from the above list, a school principal, minister of religion or general practitioner is acceptable.

The signatory must identify their official designation and location on the front of each page of the copy (preferably with an official stamp), sign and date the copy and write the following words (or words to the same effect): "This is a true copy of an original document that I have sighted".

The University does not return verified copies to you. Please do not send original identity documents. If you do send originals, Massey University does not guarantee secure return of these documents to you.

As an alternative to sending in verified copies of your documents you can show the originals to a Massey University staff member who will take a copy of your original documents and sign and date the copy to show that the documents have been sighted.
