

Work Integrated Learning Grant

Grant Regulations

Focus

Work placement

Level of Study

Undergraduate and Postgraduate

Purpose

The Work Integrated Learning Grants support students within the College of Health who are undertaking study with a work placement component. The grant alleviates some of the financial hardship resulting from work placement.

Value and Tenure

The value of the grant is \$500, and the tenure is for one semester. The tenure of the grant will align with the semester of the work placement.

Typical Number on Offer

Multiple awards are available across each eligible qualification.

Eligibility

Applicants must be enrolling in one of the following qualifications:

- Bachelor of Social Work
- Bachelor Sport and Exercise
- Bachelor of Nursing
- Bachelor of Health Science
- Master of Science (Nutrition and Dietetics)
- Master of Nutrition and Dietetics
- Master of Clinical Practice (Nursing)
- Master of Applied Social Work
- Master of Public Health

Applicants will be enrolling in a course* with a work placement component in the semester of application. See the below Appendix for a list of approved courses.

Selection Criteria

Selection is based on how the grant will remove barriers and enable engagement in the work placement.

Selection Committee

Selection will be made by the University Scholarships Selection Committee on the recommendation of a panel from the College of Health.

Conditions of the Grant

The grant will be offered twice a year. Applicants should apply for the selection round that aligns with the course enrolment for their work placement.

Payment will be made in one instalment.

Successful applicants can only be awarded this grant once.
