The REVO Sustainable Packaging Scholarship

Scholarship Regulations

Focus

Sustainable packaging, Food Technology

Level of Study

Undergraduate, fourth year

Purpose

The REVO Sustainable Packaging Scholarship aims to support and inspire the next generation of innovators who are passionate about shaping a more sustainable future through packaging. This scholarship will empower students who are committed to creating practical, forward-thinking solutions that address not only global packaging challenges, but also solutions to New Zealand packaging industry.

Background

REVO Packaging is a New Zealand owned business dedicated to driving innovation and sustainability in flexible packaging. REVO collaborates with leading brands nationwide and global manufacturers to deliver packaging that optimises performance, efficiency, and environmental stewardship. Guided by principles of circular design, sustainability and openness, REVO is committed to accelerating the transition toward a regenerative packaging economy and supporting initiatives that nurture the future leaders of the packaging industry.

Value and Tenure

The value of the scholarship is $5,000 and the tenure is one year.

Typical Number on Offer

Typically, one scholarship is awarded annually.

Eligibility

Applicants must be:

- enrolled in the fourth year of the Bachelor of Food Technology (Honours) at Massey University
- intending to undertake a research project related to packaging, with a preference toward sustainable packaging.

Preference may be given to New Zealand citizens or permanent residents, but international students undertaking relevant projects are encouraged to apply.

Selection Criteria

Selection is based on the alignment of intended research project with the scholarship purpose and the applicant's academic merit in the Bachelor of Food Technology (Hons) to date.

Selection Committee

The scholarship is awarded by the University Scholarship Selection Committee on the recommendation of a panel made up of relevant staff from the School of Food Technology and Natural Sciences, Massey University.

Conditions of the Scholarship

The successful recipient will agree to participate in any publicity generated by REVO or any of its partners.

Co-tenure is permitted with other scholarships, bursaries, and awards if the other scholarships, bursaries and awards permit co-tenure.

The selection committee will refrain from making an award if in their opinion there are no suitable applicants.
