Graduate Research School Summer Scholar Scholarship

Scholarship Regulations

Focus

Summer Scholarships

Level of Study

Postgraduate or Doctoral

Purpose

The Graduate Research School Summer Scholar Scholarships support students to undertake supervised research projects in strategic alignment with the Graduate Research School and Ethics in the broad fields of Postgraduate Research, Scholarships, Learning and Development, and Ethics. The project will be undertaken over the summer period.

Value and Tenure

The value of a scholarship is $7,500

The tenure of each scholarship will be for twelve weeks, the commencement date to be negotiated between the successful applicant and the Graduate Research School and Ethics and will terminate before the start of Semester One of the following year.

Typical Number on Offer

The number of opportunities is to be determined by available funds and projects.

Eligibility

Applicants must have recently undertaken postgraduate research at Massey University in the semester prior to the summer scholarship. Research students who have submitted their thesis for examination are encouraged to apply.

Selection Criteria

The selection will be based on the applicant's experience and expected ability to deliver on the proposed research project. Shortlisted applicant's may be invited to an interview.

Selection Committee

The scholarship is awarded by the University Scholarships Selection Committee on the recommendation of a panel from the Graduate Research School and Ethics.

Conditions of the Scholarship

The successful applicant is required to submit a report of their research output at the conclusion of the scholarship.

Recipients may be based on any campus, though preference may be given to applicant's based in the Manawatu.

Payment will be made in three instalments with the final payment being conditional upon receipt of the research report. Continued scholarship payments are subject to satisfactory performance during the course of the placement.
