## M-7-5 Palmerston North Graduation DVD Collection (2005-2014)

Note: This collection consists of DVDs of the Palmerston North graduation ceremonies. These were produced for the University by a company called Outpost. DVDs were first available in 2005, prior to this the footage was only available on VHS (VHS continued to be offered for 2005-2008 as well).

The November Ceremonies do not appear to have been videoed for 2005 and 2006, but were for all other years.

From November 2011 videos could also be viewed on the University Youtube Channel. DVDs ceased being produced for Palmerston North from 2015, but videos continued to be made available on Youtube.

Holdings are relatively complete, but some DVDs were not included in the transfer to archives, see the listing below.
