

# Sir James Wattie Scholarship for Food Technology

## Scholarship Regulations

### Focus

Food Technology

### Level of Study

Undergraduate

### Purpose

The Sir James Wattie Scholarship for Food Technology supports Bachelor of Food Technology with Honours students

### Background

This scholarship is funded by Kraft Heinz, the founder of the food processing company Wattie's.

### Value and Tenure

The value of the scholarship is \$10,000 to be paid in four annual instalments of \$2,500.

The tenure of the scholarship is four years.

### Typical Number on Offer

One scholarship is offered each year.

### Eligibility

Applicants must be:

- a New Zealand citizen
- enrolled fulltime in the first year of the Bachelor of Food Technology with Honours

### Selection Criteria

Selection is based on academic merit and demonstration from the applicant of their passion for food technology.

## Selection Committee

The selection panel consists of the Bachelor of Food Technology with Honours Major Leader and staff from the School of Food and Advanced Technology.

The panel's choice will be approved by the Senior Research and Development Manager, Kraft Heinz.

The selection committee has the right to refrain from making an award if there are no suitable applicants.

## Conditions of the Scholarship

After the first year, subsequent payments are dependent on successful completion of the previous year's study.
