

# Energy Education Trust of New Zealand Undergraduate Scholarship

## Scholarship Regulations

### **Focus**

Science, Economics, Engineering

### **Level of Study**

Undergraduate

### **Background**

The Energy Education Trust of New Zealand Undergraduate Scholarship was established to assist students to undertake full-time study in the fields of science, economics or engineering and related fields but with a specific interest in energy as it relates to the energy needs of New Zealand.

### **Value and Tenure**

The value of the scholarship will be \$5,000. The scholarship is tenable for one year.

### **Typical Number on Offer**

Typically, up to ten scholarships will be offered each year across New Zealand universities.

### **Eligibility**

Applicants must:

- be New Zealand citizens or permanent residents
- have demonstrated interest in or have job/project experience in energy
- be enrolled full time at Massey University in a programme that can be related back to the energy needs of New Zealand
- be in the third or fourth (Honours) year of an undergraduate degree

## **Selection Criteria**

The selection will be based on:

- academic achievement
- the relevance of the current programme of study to the Energy Education Trust of New Zealand
- evidence of community involvement and a demonstrated motivation to succeed
- a strong interest or job/project experience in energy issues, and how this interest is related to the applicant's study and future career plans

Applicants are required to write a short paper explaining their interest or job/project experience in energy and short list candidates are required to attend an interview with the Selection Panel.

## **Selection Panel**

The scholarship is awarded by the University Scholarships Committee on the recommendation of two representatives of the Energy Education Trust of New Zealand.

## **Conditions of the Scholarship**

Recipients may apply for the scholarship in subsequent years.

The scholarship may be held in conjunction with other scholarships, bursaries or awards, so long as these permit co-tenure.

It is expected that the scholarship will be used to defray course-related expenses.

By accepting a scholarship, the recipient agrees to participate in any publicity concerning the awarded arranged by the sponsor and/or Massey University.
