

UNDERGRADUATE INFORMATION EVENING SCHEDULE

MASSEY UNIVERSITY ROOM, TE KUNENGA KI PŪREHUROA

Start here to find out how the evening will work before going into the other rooms and listening to our Academics. Here you will find out more information about other study pathways (PaCE), support services available, accommodation, scholarships and how to apply.

JOIN THE ROOM

6pm – 6:25pm

Karakia – Te Ataakura

Welcome to the Massey University Future Students Information Evening

Tere McGonagle-Daly, DVC Students & Global Engagement

In this session you'll get a rundown on how the evening will work, the schedule for each room, and the sessions you don't want to miss out on – including Scholarships, Accommodation, and how to make an application!

6:25pm

PaCE/Summer School

Looking at what study options are available to you if you've been out of study for a while or want to better prepare yourself for studying at university-level

6:35pm

Accommodation

Staying in the Massey Halls is a fun experience and is part of the university lifestyle. You'll find out what it's like to stay on-campus and what packages are available to you

6:50pm

Te Rau Tauawhi – Māori@Massey

Learn about Māori @ Massey's whakapapa, the support and study advice available, and how we champion the development and aspirations of Māori

7:10pm

Student Support Services

You're not on your own! This session you'll discover what types of support is available for you throughout your university journey

7:30pm

Pacific@Massey

Learn about how we celebrate success and achievement. Our committed to working with you to realise your academic aspirations and what services we provide that support Pacific students

7:45pm

Scholarships & How to Apply!

Join us to look at the scholarship options available to you, and how the application process works – to make it easy for you when you apply

**MASSEY
UNIVERSITY**
TE KUNENGA KI PŪREHUROA

UNIVERSITY OF NEW ZEALAND

HEALTH ROOM, TE KURA HAUORA TANGATA

The health sector is one of the biggest in New Zealand, has high employment, and is vitally important especially with what we've been through and what the world is going through. A career in health can be tough but a very rewarding experience.
