

Otamatea Veterinary Club Scholarship

Scholarship Regulations

Focus

Veterinary Science.

Level of Study

Undergraduate.

Value and Tenure

One scholarship will be valued at \$2,500 with \$500 towards associated expenses when seeing practice and a further \$2000 once they have seen practice.

Further scholarships at a minimum of \$500 each will be awarded to assist with any costs incurred during the seeing practice.

The scholarship is tenable for one year.

Typical Number on Offer

Typically, one scholarship will be awarded per year.

Eligibility

Applicants must be:

- enrolled full time in the 4th year of a Bachelor of Veterinary Science degree at Massey University.

Selection Criteria

The selection will be based on:

- covering letter.
- curriculum vitae.
- at least two referee reports with name and contact details.

Preference will be given to those who are not necessarily top academic students but who are interested in mixed clinical practice with an emphasis on large animal and/or production animal medicine.

Preference will also be given to students from the general practice area in Otamatea or at least from Northland, (please note this is not an essential requirement)

Selection Committee

The scholarship is awarded by the University Scholarships Committee on the recommendation of the Otamatea Veterinary Club

Conditions of the Scholarship

An on-campus interview will be held within the fortnight following scholarship closure date

As part of receiving the scholarship successful applicants will be required to 'see practice' at the nominated veterinary clinic for at least one week during their final year.
