

## Foundation Studies – High Achiever Scholarship

### Overview

The Foundation Studies Program High Achievers Scholarship is offered to encourage and assist high achieving students to undertake study in the Certificate of Foundation Studies at Massey University, New Zealand in 2019.

The successful scholarship applicants will demonstrate:

- A strong academic record;
- Career ambitions;
- Interpersonal skills;
- Community engagement;

### Scholarship Eligibility

To be eligible for the scholarship you must also apply for admission and have met the entry requirements for the Certificate in Foundation Studies program.

The program entry requirements can be found on the following web page:

[http://www.massey.ac.nz/massey/learning/programme-course/programme.cfm?prog\\_id=93181&tab=plan](http://www.massey.ac.nz/massey/learning/programme-course/programme.cfm?prog_id=93181&tab=plan)

The scholarships are valued at NZ\$3,000 each and are for students commencing study in New Zealand in 2019. The scholarship will be a fees rebate and applied to each scholarship recipient's Massey Student account after they have commenced their study.

### Apply

To apply for the scholarship, complete the application form below and email to: Ms Joy Hotter at [j.hotter@massey.ac.nz](mailto:j.hotter@massey.ac.nz)

As applicants will be assessed on the quality of the application, all questions should be answered in full in English and using the space provided on the form only. Do not attach additional pages or write on the back of the application form. Please ensure care is taken with spelling and grammar and handwriting must be legible.

### Ongoing Scholarships

Scholarships are available for selected undergraduate programmes upon successful completion of the Certificate in Foundation Studies in New Zealand.
