

NEW ZEALAND SCHOLARSHIP PROGRAMME

AVAILABLE AT MASSEY UNIVERSITY

Hōtaka Karahipi Aotearoa

Funded by the New Zealand Government Ministry of Foreign Affairs and Trade, New Zealand Scholarships offer eligible candidates the opportunity to gain knowledge and skills through study that will assist in the development of their home countries. Awardees are required to return to their home country for at least 2 years after the completion of their scholarship to apply these new skills and knowledge in government, civil society, or private business organisations.

New Zealand scholarships are available for the following qualifications

- Undergraduate Degree (3 – 4 years)
- Postgraduate Certificate (6 months)
- Postgraduate Diploma (1 year)
- Master's Degree (1 – 2 years)
- PhD (3 – 4 years)

What does it cover?

- Full tuition fees
- Return economy air travel
- An establishment allowance upon arrival in New Zealand
- Medical insurance
- Provision for students to meet basic living costs
- The partners of students may be eligible for a work visa that allows them to live and work in New Zealand for the duration of their partner's study

Check eligibility criteria

To apply for an international New Zealand Scholarship, you must meet all of the eligibility criteria. The questionnaire will check things such as:

- Which country you hold citizenship in
- How long you have been living in your home country
- How much work experience you have
- Whether we provide scholarships to your country
- Whether your intended study aligns to levels and sectors provided to your country
- You must complete the eligibility questionnaire before you can apply for a Scholarship

You can complete an online questionnaire [here](#) to confirm whether you can apply.

How to apply
