LIBRARY

**te pikitanga**  
massey university library gallery space

## application to exhibit

Te Pikitanga and Te hononga ki Te Pikitanga exhibition spaces at the Massey University Library Pukeahu campus are designed primarily as spaces for academics and students at all levels to exhibit their research. They provide students of the College of Creative Arts with a space for developing their curatorial and exhibition design practices, as well as opportunities to engage with the work of others across all disciplines within the Wellington Campus Community.

Send your completed application to [libwel@massey.ac.nz](mailto:libwel@massey.ac.nz) (or drop off in person at the library desk)
