**Please complete team players details on other side of page**

**Team players: Please print clearly**

It is great if you have a big team! Towards the end of semester, some of your players may need to do complete assignments or have other commitments. That is when your original team of twelve may drop to six, which is what you need for most sports.

Please also ensure you have a good balance of female and male players on your team. For volleyball, netball and soccer, at least two guys and two girls need to be on the court at all times.

| Name     | Female / Male<br>Transgender / Other | Email address |
|----------|--------------------------------------|---------------|
| Captain: |                                      |               |
| 2.       |                                      |               |
| 3.       |                                      |               |
| 4.       |                                      |               |
| 5.       |                                      |               |
| 6.       |                                      |               |
| 7.       |                                      |               |
| 8.       |                                      |               |
| 9.       |                                      |               |
| 10.      |                                      |               |
| 11.      |                                      |               |
| 12.      |                                      |               |
| 13.      |                                      |               |
| 14.      |                                      |               |
| 15.      |                                      |               |
| 16.      |                                      |               |
| 17.      |                                      |               |

At least ten for volleyball, netball  
and soccer. ↪
