

These abstract cards are inserted for the convenience of Librarians and others who need to maintain an Information Index.

WRE Volume I UNCLASSIFIED 061.3; 518.5DR; 518.5A; 681.14 AUSTRALIA. Weapons Research Establishment Data Processing and Automatic Computing Machines: Proceedings of the Conference held at Weapons Research Establishment, Salisbury, South Australia, June 3rd - 8th 1957. Volume One :- Programming and Mathematics. January, 1958 SUMMARY: The Conference was conducted in three sessions; the proceedings of which are published in separate volumes, namely:- Volume One: Session I - Programming and Mathematics, Volume Two: Session II - Engineering, Volume Three: Session III - Business Applications. Contents Volume I, papers were presented at the following meetings:	WRE Volume I UNCLASSIFIED 061.3; 518.5DR; 518.5A; 681.14 AUSTRALIA. Contents Volume I, papers were presented at the following meetings:
--	--	--

1. Registration and opening address: 2. WRE; WRE data processing project, AGWAC demonstration and description.
3. WREDAC system. 4. Data processing and translation.
5. Australian computer systems. 6. Differential equations.
7. Computer applications. 8. Error analysis and matrix calculations. 9. Interpretive programming. 10. Eigenvalues and vectors. 11. Partial differential equations.
12. Automatic Programming. 13. Crystallography.
14. Discussions groups on diagnostic test programmes, partial differential equations.

1. Registration and opening address: 2. WRE; WRE data processing project, AGWAC demonstration and description.
3. WREDAC system. 4. Data processing and translation.
5. Australian computer systems. 6. Differential equations.
